1.	Pre-Tribulation events:	Variety of economic, political and military events leading up to a worldwide commercial and economic system led by Europe including decline of moral authority of USA; global economic collapse.	The world is seeking leadership that is radically different to that offered by the USA. It is <i>possible</i> that the USA will divide ethnically ('balkanise') and politically (between centralists and states-rights factions). There could even be a mini-civil war to try and 'take back' America from the political correct-globalist elites.	
2.		A probable 3 ½ year period leading up to the Tribulation where a global system of commerce and cooperation, led by Europe, is in place that provides prosperity and a time of 'peace and safety' - Babylon	As Christ's work covers a 7 year period, so does that of his antithesis, the Beast. Each has 2 x 3 ½ year periods: the first 3 ½ years of soft power; the second period of conquest and warfare	Daniel 4:13-16, 23-26 – 7 years of Nebuchadnezzar's madness may typify the 7 years or so of gentile dominance on the earth just prior to the return of the Messiah
3.		Beast appointed around this time	He is strong faced ("fierce" is not necessarily the best translation). Possibly means chisled features and kingly appearance	Dan 8:23. Cp Deut 28:50 where the invaders of Israel are said to have a "fierce countenance"
4.		Severe trials upon the House of Israel: first 4 seals opened:		
5.	Seal 1:	= White horse – religious deception arises	The Pope deceives Europe and much of the world some time prior to the Tribulation	Matt 24:4-5; Rev 6:1-2
6.	Seal 2:	= Red horse - wars	Various wars occur across the world some time prior to the Tribulation. Given that this precedes the issues the House of Israel will be facing, it is possible that this refers to some wars the Israelite nations will be involved with. So weakening them. This may include civil wars and incursions by Mexico and the Caribbeans	Matt 24:6-8; Rev 6:3-4
7.	Seal 3:	= Black horse – famine - especially in House of Israel	House of Israel severely weakened by drought, crop failure etc – this impacts upon the economy and capacity to fully militarise	Matt 24:7-8; Rev 6:5-6; Lev 26:19-20 (cp Deut 28)
8.	Seal 4:	= Pale horse – disease epidemics -especially in House of Israel	The above leads directly into disease epidemics	Matt 24:7-8; Rev 6:7-8; Lev 26:25 (cp Deut 28)
9.		1335 days commence (75 days prior to the Tribulation)		Dan 12:12

11.		1290 days commences (45 days after 1335 days commence and 30 days prior to the Tribulation) – King of the North (Europe) storms into the Middle East		Dan 11:40-45; 12:11; 8:9-12; Matt 24:15-20; Luke 21:20-23

16.	Seal 5:	1260 days (3 ½ years) of Great Tribulation upon House of Israel commences and Laodicean Era (= Seal 5) (ie 30 days after commencement of 1290 days). Europe leads international forces into UK, USA and possibly Scandinavia and Holland. Probably Japan, Indonesia, India invade Australia and New Zealand.	Quebec <i>may</i> be the staging post for Europe. Also, Europe <i>may</i> offer Russia Alaska back as a swap for resources and cooperation. Notice that Ezek 27:13 contains an end-time prophecy that Tyre (equated with Babylon prophetically) trades slaves with Tubal and Meschech - cp Rev 18:13	Dan 12:7; Matt 24:15; Rev 11:2-3; 12:6, 14; 13:5; Lev 26:32-39 (cp Deut 28)
17.		Israel's lands divided up amongst her enemies	For instance, Australia <i>may</i> be divided up between India (Cush - Is 11:11), Japan (Tarshish – Is 60:9), Indonesia and China.	Amos 7:17; Mic 2:4 (cf Dan 11:39)
18.		cooperation among the gentile nations continue	Israelites (including Church of God members) traded as slaves etc, etc. In other words, the Babylonian commercial system continues into the Tribulation period - at least for a while	Rev 18:13; Ezek 27:13
19.		Saints persecuted and martyred	During the Tribulation the Beast will be permitted to do as he pleases in Rev 13:6. Note Strong's reference to "power": "1849 <i>exousia</i> {ex-oo-see'-ah} Meaning: 1) power of choice, liberty of doing as one pleases 1a) leave or permission 2) physical and mental power 2a) the ability or strength with which one is endued." Compare wording	Dan 7:25
