

Trilogy part 1

WHEN THE BAD NEWS FINALLY REACHES *YOU!*

A scenario for the worst time in human history

How will the invasion of your lands by foreign armies affect you?

**What will you do when your towns, villages and farms are over run by armies
massacring and torturing all before them?**

Will you be taken as a slave by ship into a foreign country?

What will be YOUR fate?

Sudden destruction awaits the Anglo-Saxon-Keltic nations

“Thus speaketh the LORD God of Israel, saying, Write thee all the words that I have spoken unto thee in a book.

For, lo, the days come, saith the LORD, that **I will bring again the captivity of my people** Israel and Judah, saith the LORD: and I will cause them to return to the land that I gave to their fathers, and they shall possess it.

And these are the words that the LORD spake concerning Israel and concerning Judah.

For thus saith the LORD; We have heard a voice of trembling, of fear, and not of peace. {of fear...: or, there is fear, and not peace}

Ask ye now, and see **whether a man doth travail with child?** wherefore do I see every man with his hands on his loins, **as a woman in travail**, and all faces are turned into paleness? {a man: Heb. a male}

Alas! for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it.”

(Jer 30:2-7)

NB: the time at the end will be unique in man's history. The fear will be so intense that it causes massive panic attacks. It will be the most tumultuous and frightening of times ever known to man!

C White

YOUR future

Friends, we are going to enter a time of the greatest brutality, cruelty and evil the world has ever known – and never will know again.

A time that will build into a crescendo of Satan's capacity of madness and insanity.

The Bible predicts a time that is so severe that massive panic attacks will seize upon large segments of the population that will be so bad, that it will be like a woman giving painful birth (Mic 4:9-10; IThess 5:3).

Are you prepared for this eventuality? – because it will come. Are we heeding God's warning?

What will you do when the bad news of foreign invasion and troops nearing you finally reaches you? What will you do?

Are we listening to God whispering to us – quietly, but efficiently, or are we spiritually deaf? Something is afoot, yet so many – even within the Churches of God – are asleep!

Listen carefully.

At night you may awake at 3am and hear the creaking of boards, hear the hum of a distant motor vehicle or the opening of a door by a neighbour. Even the refrigerator would be noticeable by its cycling on and off.

The point is that you notice them during the still of the night. But all these noises occur during the day – yet you didn't notice them – why?

Because during the day your sensory mechanisms such as hearing, are filled with so many overt stimuli that you are not receptive to the more subtle stimuli.

So, it is that God sends us very subtle signals and stimuli during the course of our lives and especially during the Last Days – but we are so bombarded by other more overpowering stimuli that we simply just do not notice them.

To notice them we need time to reflect, think and meditate. We need to study, notice and absorb what is going on around us – as if we were awakened out of sleep at 3am. How: by blocking out external noise that detracts you from listening for His messages.

Can we do that? Can we truly listen attentively to God's subtle messages?:

“He that hath an ear, let him hear what the Spirit saith unto the churches.” (Rev 3:13)

What is He telling you now? Can you hear? Or do you have to be jolted awake by powerful world events, now beginning to unfold?

Are we also able to determine the times and seasons?:

“But of the times and the seasons, brethren, ye have no need that I write unto you.

For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

For when they shall say, Peace and safety; then **sudden destruction** cometh upon them, as travail upon a woman with child; and they shall not escape.

But ye, brethren, are not in darkness, that that day should overtake you as a thief.

Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

Therefore let us not sleep, as do others; but let us watch and be sober.” (I Thess 5:1-6)

For some years the world has been wallowing in the global financial crisis and immense economic downturn that could assist in ushering in a global realignment of political forces. The American government under President Obama recognises this reality and inevitability. In fact, previous American administrations were seeking out and encouraging greater political and military assistance around the world from European allies, Japan and other nations.

Enemy forces will attack and destroy our nations

For instance, US Secretary of State, Hillary Clinton called upon the European Union to jointly lead the world with America. She, representing American interests, acknowledges that America has lost its prestige, financial capacity to impose its military muscle on the world and ability to act unilaterally. Those days are ending. In this regard, note the following:

“7 March 2009

Breaking News:

Clinton sees US and EU leading the world

Published: Friday 6 March 2009

There is a leadership crisis in the world and America and the European Union must take the lead in addressing it, US Secretary of State Hillary Clinton told an audience of young Europeans in Parliament today (6 March).

In an invitation-only event entitled 'The next generation takes the floor', at which most participants appeared to be young employees or trainees of the EU institutions, Clinton complimented Europe on its integration, calling it an "extraordinary international effort".

"Europe today is viewed by many as a miracle," said Clinton, stressing that the EU is experiencing its "longest period of peace since the Roman Empire," while the countries of the Union have never been more prosperous or more secure.

Speaking for her country, the head of the US diplomacy insisted that despite difficult problems ahead, the new administration is optimistic and "up to the task".

Parliament President Hans-Gert Pöttering, who described Clinton as a "leader of vision" at a time that the world needs such leaders, also hinted that a new era is beginning in EU-US relations.

"Let us work as equal partners to build a better future," Pöttering said."¹

These allies were reluctant to involve themselves in wars jointly with America. They preferred to allocate resources that would have been used in war for internal nation-building or for international influence. It is quite possible that in some cases they deliberately wanted America to drain itself financially in the pursuit of wars that, in some cases, were unwinnable or not a worthy cause.²

But keep in mind that the 'Beast' system is a political-military union; 'Babylon' in this context is a global economic-commercial trading system – led by Europe; and the 'Babylonian Mystery Religion' is the great harlot – the false church that works with this system. Thus, the Beast, Babylon and the Babylonian Mystery Religion are not the same – but they do overlap and intersect with one another.

It is likely that there will be a major global economic crisis that will propel Europe to emerge as the new world super-power and the greatest trading bloc with the largest merchant fleet in history.

In this scenario, America would have somehow become a second-rate power and Russia and her allies would be no match for Europe, but instead be aligned with Europe, at least initially. Like Assyria of old whose function it was to protect the civilized world from the threats of the Asiatics to the East and Germany during the Middle Ages which considered itself as "God's chosen people" protecting Europe against the eastern hordes, so the coming "Beast" power – a German-dominated United Europe will find itself in a similar role. It will stand as a peacemaker between East and West; North and South - and the world will celebrate "peace in our time" or 'peace and safety' as the Scriptures describe it.

¹ http://www.euractiv.com/en/opinion/clinton-sees-us-eu-leading-world/article-180031?_print

² In this light please review the following scriptures a future "Beast" system to arise: Revelation 13,17,18; Isaiah 13,14,21,47,48; Jeremiah 50,51; Ezekiel 27,28. Here prophecy names the future European fascistic empire as Babylon and Tyre.

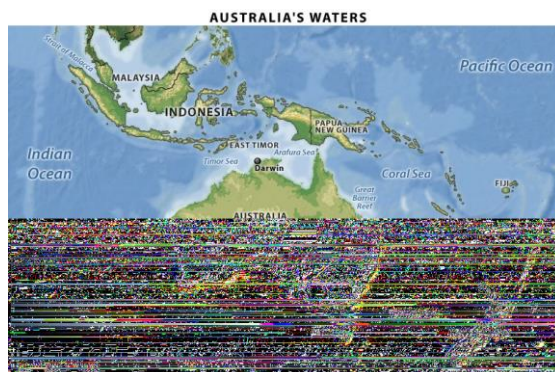

Some sort of world superstructure may emerge to enforce world peace and provide a means for free trade and perhaps sharing of technology. The United Nations will probably relocate to Europe – perhaps to Austria or Switzerland – demonstrating Europe’s emergence as the world centre.

The Anglo-Saxon nations in particular will be lulled into a sense of security, thinking that we have "peace in our time."³ Britain in particular will make the biggest faux pas of its history. Hosea blasts Ephraim (the English peoples):

“When Ephraim saw his sickness ... and Judah [this includes the Scots] saw his wound, then went Ephraim [as leader of the British] to the Assyrian [Germany], and sent to King Jareb [future German leader]: yet could he not heal you, nor cure you of your wound” (5:13).

It appears from this scripture that Britain will be in such economic, financial and political straits that she shall seek help from German-led Europe. What will Europe do? How shall she respond to Britain's plea? Initially after signing an agreement with Britain (and North America?), some time later it will turn on her (Isaiah 33:1,7-8). The following verse reveals this treacherous double-cross:

“For I will be unto Ephraim as a lion, and as a young lion to the House of Judah: I, even I, will tear and go away; I will take away, and none shall rescue him. I will go away and return to my place, till they acknowledge their offense, and seek My face: in their affliction they will seek me early” (5:14-15).

National calamity awaits Australia and New Zealand

Notice God likens the Assyrians to ferocious lions.⁴ Other verses on this future "covenant" between the House of Israel and Europe are: Hosea 10:6; 12:1; 14:3; Isaiah 28:1-3,15,18;

3

Refer to I Thessalonians 5:13; Jeremiah 6:13-15, 22; Ezekiel 13:2,10-13; Isaiah 28:15-18; Daniel 8:25; 11:24.

4

Other scriptures do likewise: Jeremiah 2:14-15,18; 4:7; 50:17; Ezekiel 38:13; Nahum 2:8-12; Joel 1:6; Zechariah 11:3.

Daniel 11:22; Ezekiel 16:28. No wonder God slams Israel for having political and military "lovers" — she should be depending on her God, not man (Isaiah 30:1-9; 31:1-3).⁵

So, there could be an end-time period of relative peace and safety for 3 ½ years – centered around covenants (treaties and agreements) followed immediately by 3 ½ years of Tribulation. A world superstructure including extensive trade around the world, delivering massive wealth, yet associated with this will be the growing rivalry between the Anglo-Saxons and Europe.

Our cities will be utterly laid waste

⁵ I suggest the reader look up the following verses on these "lovers" of Israel: Jeremiah 2:36-37; 4:30; 22:20-22; 30:14; Lamentations 1:2,19; Ezekiel 18:33-37; 23:5-9,22; Hosea 2:5-13; 8:9.

The Greatest Double-Cross in World History

Before we consider what will happen to YOU and your loved ones in a future crisis between the Anglo-Saxon powers and a German-led United Europe and its allies, let us, in the first instance, read what prophecy has to say about a future double-cross.

Consider this: it is not in the mind of Germans or Europeans today to double-cross or attack the Anglo-Saxon-Keltic nations. That will not occur until some time after the formation of a National European Social Holy Roman Empire (Isaiah 10:7). God through His prophet Hosea roars:

“Ephraim also is like a silly dove without heart: they call to Egypt, they go to Assyria” (7:11).

“For they are gone up to Assyria [Germany], a wild ass alone by himself: Ephraim hath hired lovers. Yea, though they have hired among the nations, now will I gather them, and they shall sorrow a little for the burden of the king of princes (8:9-10).”
(Compare Isaiah 10:3)

The last part of verse ten is very interesting. The Hebrew for "sorrow" is "woe" or "writhing" — in agony — due to enslavement, as we shall see later in this article. They are writhing "a little for the burden" of Tribulation. Again, the Hebrew for "a little" means in a little time, speedily or suddenly. Very suddenly Britain will be plunged into the Great Tribulation:

“For when they say, Peace and safety; then **sudden** destruction cometh upon them, as travail upon a woman with child; And they shall not escape” (I Thessalonians 5:3).

European Central Bank headquarters, Frankfurt, Germany

Ephraim and the tribes of Israel (not excluding the USA) will be lulled into a false sense of security, possibly believing that their New World Order of One World Race, One World Religion and One World Capitalist Economic Free Trading System would bring world peace. Instead, the Europeans also believe in a New World Order - but one which is radically different to the model proposed by the Anglo-Saxon Powers. Theirs is a Fascist-

type of system endearing so-called Christianity to the State, thus reviving the Holy Roman Empire. It is completely different and opposed to the Anglo-Saxon version of a New World Order in such fundamentals as immigration/race, religion, finance, economics, social attitudes, personal liberties etc.

But many today scoff at this (II Peters 3:3-4; Jude 18; Jeremiah 20:8). The scoffers and mockers (both within and without the Church of God) who do not see the signs of the times will be taken unawares. Regardless of scoffing, these "things ... must **shortly** [Greek means speedily, suddenly, quickly] come to pass" (Revelation 1:1). Jeremiah, after preaching for some twenty-five years, wondered how long things would drag on for before the prophecies were fulfilled (12:1-7; 17:15-18; 20:7-11). Don't we do the same thing? Take comfort from Ezekiel:

"Son of man, what is the proverb that ye have in the land of Israel, saying, The days are prolonged and every vision faileth? ... Therefore say unto them, Thus saith the Lord God; **There shall none of My words be prolonged any more**, but the word which I have spoken shall be done, saith the Lord God." (12:22,28).

In other words there will be no more delay or holding up of world events (Ezekiel 12:25; Revelation 10:6; Daniel 12:9; Luke 18:7; Jeremiah 30:24).

Habakkuk says much the same:

"... the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it [ie be patient]; because it will surely come, it will not tarry" (2:3).

"Shall they not rise up **suddenly** that shall bite thee, and awake that shall vex thee, and thou shalt be for booties unto them?" (2:7). (compare Rev 3:10)

Other verses concerning the sudden destruction on the earth and of Israel may be found in: Isaiah 30:13; 33:14; 60:22; Joel 2:9; Luke 17:34-37.

Amos, too, warns of the sudden turn-about in world conditions in the last days:

"... Lord is his name: That makes destruction to come **suddenly** to flash upon the strong, so that the spoiled shall come against the fortress" (5:8-9) (See 9:10, where the Hebrew for "prevent" means surprise)

Isaiah also speaks of this surprising and quick fulfilment of prophecy which will catch the scoffers and mockers unaware, but not all of God's people:

"I have declared the former things from the beginning; and they went forth out of My mouth, and I showed them; I did them **suddenly**, and they came to pass" (48:3).

Notice how many times God warns us of sudden destruction. The Anglo-Saxon-Keltic nations will be enormously surprised when a United Europe which appeared, initially, to be neutral playing its part between the East and West; between North and South, suddenly

turns very nasty. Anti-American broadcasts, trade wars, sanctions, condemnations of their decadence etc. will be unleashed when Europe sees a weakened North America as a ripened plum, ready for the plucking. God condemns the Anglo-Saxon-Keltic and Nordic nations for making alliances with the gentiles including continental Europeans (Ezekiel 16:28; 23:5-9,12). Instead, it is Israel's duty to lead the world.

Chinese troops may be part of the occupying forces in Australia

“Therefore ... thus saith the Lord God; Behold, I will raise up thy lovers [allies] against thee, from whom thy mind is alienated, and I will bring them against thee on every side” (23:22).

In verse 9 he explains that these allies are principally the Assyrians, but includes other nations such as Japan, India, China as well as South America. Note that Israel became alienated or disgusted with them. A falling-out between the North Americans and British on one hand, and the National European Social Empire on the other hand will occur, much to the sorrow of the Anglo-Saxon peoples and their descendants around the world. In verse twenty-three Ezekiel continues, naming the "lovers" of Israel:

“The Babylonians, and all the Chaldeans [Southern and Central Italians], Pekod, and Shoa, and Koa, and all the Assyrians [Germany] with them: all of them desirable young men, captains and rulers, great lords and renowned, all of them riding upon horses” (Ezekiel 23:23).

The Aramaeans were probably joined with the Assyrians against Israel anciently. The Aramaeans are located in northwest Germany, northeast Austria and pocketed in northern Spain and northern Italy today. Pekod, referred to by Ezekiel may in fact be the Puqudu Aramaean tribe. The Koa may have been the Kutu tribe from Syria or the Qutu (Quadians?), while the Shoa may have been the Sutu or Su who may have become known as the Sugambri tribe. Now notice what prophecy says concerning this shocking double-cross:

“And they shall come against thee with chariots, wagons, and wheels, and with an assembly of people, which shall set against thee buckler and shield and helmet round about ... Thou shalt be filled with drunkenness and sorrow, with the cup of **astonishment** [it shall take them by surprise — suddenly!] and desolation” (verses 24,33).

What occurred to Israel, Judah and Jerusalem in these Old Testament times were mere types of a far worse calamity yet future. Jeremiah warns:

“She weepeth sore in the night, and her tears are on her cheeks: among all her lovers she has none to comfort her: **All her friends [former European allies] have dealt treacherously with her, they are become her enemies**” (Lamentations 1:2,19).

Similarly, Jeremiah complains loudly in his book:

“And when thou art spoiled, what wilt thou do? Though thou clothest thyself with crimson ... in vain shalt thou make thyself fair; thy lovers will despise thee, they will seek thy life” (Jeremiah 4:30).

It is of little benefit to the Anglo-Saxon-Keltic nations to build a New World Order re-aligning the world to gradually bring about One World. This globalisation process merely weakens these nations and strengthens those that will eventually turn upon them. For they despise the Anglo-Saxon model for world governance and prefer their own. These gentile peoples respected the old Anglo-Saxon world leadership that followed in the tradition of Theodore Roosevelt, Churchill, Menzies, Reagan and Thatcher. They both feared and admired their hegemony, admitting that this hegemony led to world stability and prosperity.

Now they sense that a new realignment of political forces has been gradually taking over the West – forces that do not believe that the Anglo-Saxon peoples should be world leaders (except in political correctness and globalisation). Forces that believe that the Anglo-Saxons are bad and should be integrated into a New World Order. These traitors and perverts follow in the tradition of John F Kennedy, Carter, Clinton, Blair etc.

The nations round-about see this going on and despise us for wanting to integrate rather than to lead. They are disgusted that such successful nations want to throw away their power and bring themselves and the world under the United Nations and world governance. Globalisation is undermining the West and the global financial crisis is part of the convulsions that is naturally eventuating from this. Globalisation is immensely costly and this crisis is, in part, due to this.

Finally, Ezekiel explains who these "lovers" actually are:

“Thou has played the whore also with the Assyrians [Germany] ... Behold I will gather all thy lovers, with whom thou hast taken pleasure, and all them that thou hast loved, with all them that thou hast hated; I will even gather them round about against thee, and will uncover thy nakedness unto them, that they may see all thy nakedness” (16:28,37).

Europe will react strongly to the moves towards a New World Order with a New Age Religion and One World Race. She will be tired of the Anglo-Saxon variant of globalisation and will wish to forge a global alliance with their own version of a New World Order – cooperating nations rather than the integration of the nations and religions.

Yes, the Anglo-Saxon peoples will be destroyed and enslaved by her "lovers", principally a German-led Europe. Do we dare ignore this warning by God? Meanwhile in the Orient, Europe's global allies will be given the nod to invade Australia and New Zealand.

Will Japan try it again?

The nations to Australia's north will invade the continent and bring Australians to their knees. One third of White Australians will die from disease and famine; one third will die directly because of war; and the remaining one third will go into captivity: "and a third part ... shall scatter in the wind; and I will draw out a sword after them" (Ezek 5:2). Massacre and butchery unimaginable will be wreaked upon Australia.

Which are the gentile nations which will be involved with the coming terrible invasion of Australia (and probably New Zealand)? **Prophecy indicates the strong probability that the various invading nations will partition the spoils of Israel among themselves. One in Joel 3:2b speaks of the scattering of Israel and the parting or dividing of Israel amongst her enemies (Amos 7:17b; Micah 2:4; Dan 11:39 seem to tell a similar tale).** So every indication is that several nations will be involved in this bloody and bitter exercise.

Isaiah predicts that the captives of Israel will be scattered among many nations, including Cush (Is 11:11) - the peoples residing in southern India; and also the eastern branch of Tarshish (Is 60:9; 66:19) - Japan, the land of the rising sun. No doubt China and Indonesia will also be involved.

Australia itself may be divided up by secret agreement between India, Japan, China and Indonesia. For instance, Japan may take the Eastern States; Indonesia and China the Northern Territory and South Australia; and India Western Australia.

The prophet Isaiah also proclaims that scattered Israelites from "beyond the rivers of Cush" (Zeph 3:10) will be liberated after a period of captivity. Here the Aramaic renders Cush as 'Hodu' which means India in the Hebrew. So this indicates that some Israelites will be held captive in India. But not India alone – slaves will even be sold to far away Russia (Meschech and Tubal mentioned in Ezek 27:13).

Let us now continue the idea about Israel being divided up. Russia may have Alaska returned to her in agreement with Europe as part of the spoils; the Caribbean's may be given the south-east United States of America; Mexico the south-west; Japan may take Hawaii and Europe will divide up the rest of the North American continent. Surprisingly, a Russian Professor also sees such a possibility. Although not precisely aligned with what I have been writing about for almost 30 years, it is similar and may be viewed on the following map:

America to be divided up among her enemies!⁶

Given such fragmentation and obliteration as a global and even regional power, the protection that Australia once enjoyed will be gone.

Australia would have been forging local alliances, integration into ASEAN and other Asian groupings and gradually but forcefully, becoming part of a region that has moved away from Europe and especially Britain.

It will then follow that those that have led the Israelitish nations – the liberal elites - will pay the price for their stupid policies along with the rest of the nation – there will be no British Empire or powerful America to protect the Anglo-Saxon-Keltic peoples in this region at that time.

Their fate is now inevitable – instead of integrating into other regions completely, these nations rather see this as utter strategic folly and an opportunity to invade! For they now have a massive '5th column' and intend to stir them up in a final attempt to destroy the peoples of north-western European descent.

Globalisation and forced political correctness have sealed our fate!

So, now that we have a bit of background and an overall understanding of a terrible future for our peoples, let us paint a scenario that will be unfurled in the years ahead.

It is terrifying, but you **must** become aware of it. Read on ...

Total destruction awaits our cities – Sydney, Melbourne, Brisbane, Adelaide & Perth

6

See <http://www.freerepublic.com/focus/f-bloggers/2155866/posts> How similar to my own predictions for the dividing up of America amongst its enemies. I find that simply amazing

This will happen to YOU

Now place yourself in the heart and mind of those that experience this time of trauma – put yourself in the shoes of those that flee!

You and your family in Australia are aware that America is in the process of being subsumed. Internally there is race war and massacres. One race of men is tearing around killing and raping. Others are claiming properties and forcing your peoples to work in the fields. Caribbeans are pouring into Florida by the boatload. Japan has taken over Hawaii and other outlying islands before China can get to them.

German-led European forces representing the new fascist National European Social Empire are invading via their ally, Quebec. The effects are devastating and final.

Carnage, confusion and slaughter are everywhere! Nothing in world history has ever occurred like this before.

Misery, hopelessness and fear have spread throughout the entire Anglo-Saxon-Keltic world.

Droughts, environmental disasters and civil war between libertarians and centralists has been waging for some months for control of the American nation. Severely weakened by the internal upheavals and having been eclipsed on the international stage by United Europe and new global institutions, America is no longer in charge. Britain and her former colonies have slipped away from power many years ago and their combined voices on the world stage are scorned at.

It is the times of the Gentiles. This means that they eclipse Israel and wreak havoc upon the world.

“For these be the days of vengeance, that all things which are written [in the Old Testament] may be fulfilled.

But woe unto them that are with child, and to them that give suck, in those days! for there shall be great distress in the land, and wrath upon this people.

And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, **until the times of the Gentiles** be fulfilled.” (Luke 21:22-24)

The Bible considers it to be the time that the Gentiles will rule. To the Gentiles, it is the time of their revenge!

Over the hours and days more and more bad news arrives. Now it is really getting serious.

You don't know what to do.

Should you rush in to join the remnants of the army to fight the invaders? “What good would that do”, you think. For you are middle aged, your wife and family will be left 1,500km away on their own or, if at all possible, with another family or two.

“No, it would be futile” you realise. For hundreds of thousands of men have rushed to the front and are being slaughtered or taken and tortured in the most racist attacks known in world history by the invading forces from Australia’s north.

News has been filtering back for some time from those few that have escaped from their tormenters that the real intention or the international alliance is to undertake a global sweep of the planet to hunt down all Anglo-Saxon and kindred peoples.

“We are getting revenge on you, Whitey” the invaders scream at the White men. “You ruled the world; now it is our turn. We shall not just control it. But we shall kill every single Anglo-Saxon-Kelt left on the planet. YOUR RACE IS PERMANENTLY FINISHED!”

The great cities of Australia will be obliterated

Now the rush is on - everyone is fleeing into forests, offshore islands, the countryside and even the desert. Few are helping others – it is every man for himself or every family for themselves. Fear is chronic – it is so thick one can almost smell it.

Folk are living like rats in fox holes.

Children are sometimes lost and wandering around alone; animals are starving and attacking humans; insect swarms are stinging and infecting thousands; the political system has collapsed.

There is utter bedlam and breakdown of law and order as thousands scatter in all directions to escape the slaughter. Chaos reigns.

Your nation is cornered. Total and utter extinction awaits.

Knowing that is even worse than your own death. There is no future – slavery in foreign lands where you will be abused, spat upon, your nation’s history lied about to the general populace and then the terrible death camps.

IT IS A WAR OF TOTAL EXTINCTION!

You have made the decision not to rush to the front but to take your family and flee out of the city which tens of thousands of others are doing.

You gather a few belongings and your family crush into your vehicle leaving behind your pet dog to fend for itself. Because you live in a small city, it has not been targeted for destruction like many big cities. With what petrol you have left in the tank you just drive and drive deeper into the wilderness, in the hope that you will find a safe spot.

Australia's merciless wilderness

Eventually, as night falls, the tank runs dry and the vehicle splutters to a halt.

“This is it!” you yell out to your wife and three children. “I know that there are caves and streams nearby.”

In desperate hope you quietly mention that “if they find us, may they have mercy upon us. Perhaps their killing rage would have run out of steam and they will just let us alone to build a little life on the land. They will take the entire country and colonise it – but it may be that they will leave the remnant of the nation alone.”

That will prove to be an unfulfilled hope.

There is no hope. There is no future. North America, Britain and New Zealand are in the process of being subjugated. The peoples of Scandinavia, The Netherlands and north-western France have stood aside and will not fight on our side. Instead, they hope that the new world power – German-led Europe - will leave them alone. That, too, will prove to be a very immature wish indeed.

There is no one left on the entire planet to intervene to help Australia. The country is being swamped on a massive scale.

Troops from Japan are smashing their way down the coast of Queensland after destroying the city of Brisbane. Meanwhile, Indonesia has unleashed hundreds of thousands of its poor on to the shores of the Northern Territory – they are swarming in and setting up camp wherever they can. Behind them are heavily armed Chinese troops hoping to carve out a part of Australia to populate.

The Indonesians find the new land wonderful and are able to spread out, building new dwellings from the natural environment and are easily able to live off the land and fish along the coastal areas.

Meanwhile over in Western Australia, ships from India have landed all along the coast, sending thousands of troops on shore – fighting their way into the country to secure a foothold for thousands of eager colonists. Their battleships and aircraft carriers have sunk most of the small Royal Australian Navy.

In an intensive, coordinated operation, the three-pronged attack has worked well for the invaders. Other major cities have been devastated by ray beam attack from satellites. The country is left for them to colonise and to enslave.

You heard reports that around one third of the population died from drought induced famine and disease epidemics in the months leading up to the attacks, severely weakening the nation and making it impossible to resist attack.

Word is now seeping out that it seems another one third have been killed in the bloody fighting. “Does this mean that the rest of us – one third – will be taken as slaves and scattered throughout Asia” you traumatically think to yourself as you cast a worried eye at your precious wife and lovely children?

Will Japan try it again – with new allies?

Unlike previous centuries, there is now nowhere to run to – nowhere to hide in a globalised and populated world!

It is an unmitigated disaster. The Anglo-Keltic nations, declining for years, have fallen!

You see trucks, helicopters and strange new technologically advanced craft in the distance shoot and kill fleeing friends and extended family as they scatter wildly.

Through your binoculars you see some being taken to become slaves and shipped off to Asia, Africa, South America or central Europe to work in mines, factories or in the sex industry.

Your heart has palpitations as you realise that you and your dearly loved ones now have nowhere to flee to. You are cornered and you know that with the advanced technology and satellite systems, your death or captivity is inevitable.

You make one last effort to dash further into the dense undergrowth with your family. You tell them to hush and creep slowly through the grass, rocks and vines so that you might

not be found – you hope and hope that even after the country is fully conquered and occupied that somehow you will survive in the wilderness.

“Perhaps we shall be able to link up with other families and individuals fleeing the slaughtering and raping” you think. “Perhaps, by some miracle, the invaders will one day allow all the Anglo-Saxon-Keltic and Nordic peoples a little homeland somewhere.”

But little did you realise that their intention is murderous. They are intent on ‘killing a people’ after using what is left of them as slaves scattered across the world. They will never allow your peoples to re-assemble and to arise again – their jealousy and vengefulness will see to that.

After all, a sinister force lurks behind them, urging them on – it is Satan himself. This evil being, with the most twisted mind in the universe, wants to completely annihilate the Israelites after a torturous few years in slave labour camps.

Photograph from the Cambodian killing fields – this time it will be our nations on the receiving end!

With what little food and possessions you have, you lead your family ever further into the wilderness until you stumble across a small stream with fresh water flowing gently down into a valley. You follow the stream and find some solace in washing your tired, aching and exhausted body.

After each of the family washes themselves you light a fire and huddle together to keep warm. Your heart is aching for there is food enough for only a day and of great worry to you are the diseases that might spread out from the cities.

You cast an eye at your family, now fast asleep. “What will become of them?” you wonder.

Now your heart is palpitating as your adrenalin surges throughout your body. This is very serious.

You feel nervous all over and start shivering – it is not the cold that is gripping you – it is the fear. It is getting worse and you feel cramps in your stomach and you begin to shake.

Are you having a nervous breakdown? Is it a massive panic attack? You feel utterly

helpless and it seems that death is merely days away for all of you.

You quietly turn on the portable radio and try and find a station that might still be broadcasting and after a few seconds you come across a station bleating out news to beleaguered Australians. It belongs to the remnants of the national government that have fled into the wilderness.

The news is distressing and confirms that Australia is all but conquered. The broadcaster announces that defeat after defeat has rendered the military useless. The tiny government forces that are left are fighting to the death.

“We shall die fighting as there is nothing to live for now” he announces. In the radio’s background you can hear the crackle of gunfire as enemy forces ferociously murder their way toward the little radio station.

World War Two poster

“I shall now play the national anthem before committing suicide” he announces. “For any Australians still alive, you may wish to surrender and be taken into captivity or die fighting like so many of us. May God save our souls.”

Australia’s beautiful national anthem, *Advance Australia Fair*, is played and the radio station goes dead.

What are you going to tell your family when they awaken from their slumber in a few hours?

Dread, depression and stress overcomes you and you cry yourself to sleep.

Can you see yourself in such a traumatic situation?

Imagine for a moment that somewhere in the middle of Queensland there was a massive military force, say Japanese. Imagine that there are tens of thousands of armed foreign troops patrolling your towns and villages.

They know that thousands have fled into the wilderness so they drop leaflets and broadcast messages for you to come out claiming that they will now help you. After all,

they only invaded because of famine in Australia and want to “protect their strategic interests.”

Would you believe them? Would you take the chance of giving yourself up? Or attempting to live in the wilderness?

What to do?

But you know that they have been terrorising the general populace and have been searching homes for survivors. That they have been ransacking towns and taking everything of value.

Imagine the fear of their presence. The horror that these occupation forces have wrought upon the nation. What now?

The leaflets and broadcasts also mention that if you don't give up, you will be regarded as a terrorist or guerrilla and treated as such. You have 72 hours to surrender or be subject to perpetual flight.

Is that what you want?

But the news of the bloodshed of these troops are well known.

YOUR captivity – what now?

You awake the family but do not have the heart to tell them the devastating news. Instead you urge them to make a run for it.

Then all of a sudden you stumble across a few other bedraggled survivors.

They look awful. Their ashen faces are drawn and they look like ghosts. They are bewildered and suffering both mentally and physically from the lack of healthy food, water and shelter.

They inform you that families are divided up and scattered to the 4 winds by the invading slave-traders – not unlike under the Pol Pot regime. Little children are wrenched from their parents and sold into slavery.

Bidding starts at \$5.00 for a little Australian girl in downtown Delhi they say. She is taken to a man's home and used to work in the house cleaning. She is repeatedly spat upon; given rags to work in; chained in the evening so that she cannot run away; not allowed to play with other children; repeatedly mentally and verbally abused; beaten each time she cries tears of love for her parents that are thousands of miles away.

The brutality is unbelievable. This brings you to your knees and you cry helplessly. You feel no shame for such conduct. It is a hopeless situation and the future is hell. Your body now shakes all over and the pain is excruciating – **like a women in birth-pangs**.

Herded together like animals

Notice God's warning to our peoples – including the Israelites resident within Australia (Jer 6:17-30):

“... I set watchmen over you, *saying*, Hearken to the sound of the trumpet. But they said, We will not hearken.” (Jer 6:17)

This means that there would have been a warning message trumpeted to the peoples of the House of Israel and Judah - an Ezekiel warning message by the Church of God must

have gone out in power and it must have been rather extensive. So, a new Work will arise to accomplish such a Work prior to the Tribulation – and for a reasonable period to enable an extensive blanketing of the House of Israel and to ensure that the **National Message** ‘sinks in’, providing no excuse to the Israelites.

“Therefore hear, ye nations, and know, O congregation, what *is* among them.
Hear, O earth: behold, I will bring evil upon this people, *even* the fruit of their thoughts, because they have not hearkened unto my words, nor to my law, but rejected it.” (Jer 6:18-19)

Yup – the nation consciously rejected the **National Message** to repent and turn to God’s Laws. This means quit the abortions, mixing of the races, rampant divorce, abuses, oppression of the poor and helpless, legalised prostitution, extraordinary wealth concentration, euthanasia, surrogacy, homosexuality and many other sins – both national and personal (I have no doubt that bigamy, polygamy and under-age sex will be legalised and then promoted via the universities and media per their normal techniques to socially engineer society).

“To what purpose cometh there to me incense from Sheba, and the sweet cane from a far country? your burnt offerings *are* not acceptable, nor your sacrifices sweet unto me.
Therefore thus saith the LORD, Behold, I will lay stumblingblocks before this people, and the fathers and the sons together shall fall upon them; the neighbour and his friend shall perish.
Thus saith the LORD, Behold, a people cometh from the north country, and a great nation shall be raised from the sides of the earth.” (Jer 6:20-22)

Because of our national sins, God says He will bring this terrible situation about – by allowing the Devil to stir up foreign nations to hate us and even to invade our nations:

“They shall lay hold on bow and spear; **they are cruel, and have no mercy**; their voice roareth like the sea; and they ride upon horses, set in array as men for war against thee, O daughter of Zion. [nb “daughter of Zion” can be end-time Israel and/or the Church of God]
We have heard the fame thereof: our hands wax feeble: anguish hath taken hold of us, *and* pain, **as of a woman in travail**.
Go not forth into the field, nor walk by the way; for the sword of the enemy *and* fear *is* on every side.” (Jer 6:23-25)

The fame or news would have travelled quickly across the nation that this invasion is no ‘ordinary’ war – it is instead one of captivity and deportation into foreign lands to work as slaves (including sex slaves) until the race finally dies out.

The intense fear – panic attacks – is crippling and terrible – the entire nation will be shocked through to the core with this sort of fear.

“O daughter of my people [Church of God], gird *thee* with sackcloth, and wallow thyself in ashes: make thee mourning, *as for* an only son, most bitter lamentation: for the spoiler shall **suddenly** come upon us. [sudden destruction of Israel]
I have set thee *for* a tower *and* a fortress among my people, that thou mayest know and try their way.
They *are* all grievous revolters, walking with slanders: *they are* brass and iron; they *are* all corrupters.
The bellows are burned, the lead is consumed of the fire; the founder melteth in vain: for the wicked are not plucked away.
Reprobate silver shall *men* call them, because the LORD hath rejected them.
{Reprobate...: or, Refuse silver}” (Jer 6:26-30)

We have become a nation of silly, immature idiots. Now we ‘pay the time for the crime’ as the saying goes. It is our fault and as a nation, we made decisions that were so heinous that God had to finally intervene to break our national will to enable Him to bring us to the brink of extinction – so that we shall repent – there is no other way.

Let the story continue:

You are now deep in the wilderness and probably only a day or two before you die of starvation or just plain exhaustion and stress. Then all of a sudden you are shocked as you stumble into a crowd of enemy troops systematically torturing and murdering Australian soldiers. They see you instantly.

As troops surround you and haul you off into a truck to go into a camp of starving and beaten people, your anguish increases as you realise that this will be the last time you see your family.

You look over at them – thin from little nutrition; their torn clothes; dirty faces and bodies from the lack of bathing; sobbing and shaking with fear.

The entire Anglo-Saxon-Keltic and Nordic peoples are being slaughtered and sold into slavery until they die out.

Terror awaits **you!** A living hell in concentration camps.

For the Great Tribulation has arrived at your doorstep! It is the ‘time of the Gentiles.’

What do you think? What can you do? There is no hope.

In part two we will follow the hell that the slaves go through and the hope that will arise in their hearts. They will be rescued by their Messiah and brought on a journey into the Promised Land!

“Lift up your eyes, and behold them that come from the north: where *is* the flock *that* was given thee, thy beautiful flock?

What wilt thou say when he shall punish thee? for thou hast taught them *to be* captains, *and* as chief over thee: shall not sorrows take thee, **as a woman in travail**? {punish: Heb visit upon}

And if thou say in thine heart, Wherefore come these things upon me? For the greatness of thine iniquity are thy skirts discovered, *and* thy heels made bare. {made...: or, shall be violently taken away}” (Jer 13:20-22)
