

SHOWDOWN IN JERUSALEM

A common view

You must be circumcised and keep the law!

??

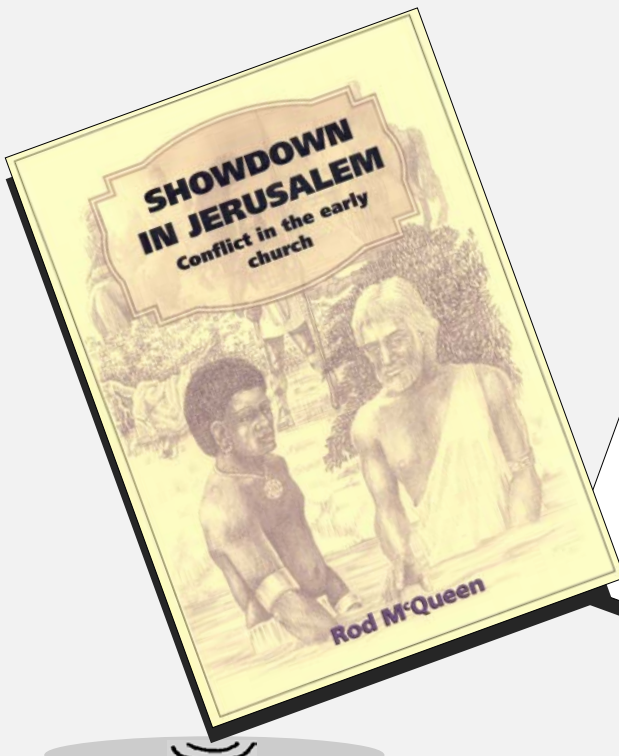

Why don't they ask babies what they think?

No way! All that Jewish palaver has been done away.

Want to know the real story? Get...

- Over 150 pages packed with vital information that will readily absorb and scholars will find provocative.
- Presented in four parts, each part leads logically and simply into the next.
- Two appendices provide in-depth material on key problems of interpretation.
- A Scripture index listing all passages quoted or explained puts the information you want to find fast right at your fingertips.

\$12.45 on CD, including postage

\$19.95

plus \$2.50 p & h

Find out all about...

Showdown in Jerusalem is a readable primer on the much-debated and often-misunderstood Apostolic Council. When a faction known as "the circumcision" insisted that adult non-Jewish brethren should undergo the painful rite of having the foreskin cut off, Paul and others reacted vehemently. They wasted no time in calling for an urgent conference to settle the issue and restore harmony in the fledgling church.

Find out about:

- the unveiling of God's great mystery during the early days of the Christian church;
- the role of Israel in the plan of salvation;
- the development of certain errors within Judaism in the centuries before Jesus' coming and its consequences for the church;
- the meaning of "circumcision" in Acts and Paul;
- what went on at the famous conference;
- varying ideas held by Christians today about the real substance of the Acts 15 debate.
- the four prohibitions of the Council edict;
- the attack on Paul in Acts 21;
- the great legalism hoax;
- what Paul really meant when he spoke of justification by faith;

- the context of the book of Galatians, and the light it sheds on the interpretation of this difficult letter;

- a fresh look at the meaning of "under the law";

This book is a must for all who want to get a feel for the momentous events that so affected Christians in the critical decades following Jesus' Ascension.
